RESOLUTION TO SUPPORT CALIFORNIA SENATE BILL 24: THE COLLEGE STUDENT RIGHT TO ACCESS ACT

WHEREAS, abortion care is a constitutional right; and,

WHEREAS, public universities in California have a responsibility to ensure student health is maintained and that students have access to health resources; and,

WHEREAS, lack of access to safe abortion is associated with significant health and safety risks; and,

WHEREAS, According to a recent study released by UCSF, it was estimated that over 1000 students from UC's and Cal States seek abortion services in locations outside of their campus each month; and,

WHEREAS, student health centers at public universities have staff, including physicians and nurses, who are certified to perform abortion by medication.

WHEREAS, [Student Government Association Name], is the official voice of the student body for the [Your School Name] campus. The Student Government represents the student body, advocates their needs, and defends their interests in dealings with faculty, campus administrators and government officials.

RESOLVED, that the [Student Government Association Name] support the passage of SB 24; and,

RESOLVED, that the [Student Government Association Name], remains committed to supporting equitable access to reproductive health resources on the [Your School Name] campus.
